

14% Equine Cooked Mix

Nutrient Rich With Energy Dense
Ingredients For Added Sparkle

Key Features

- High energy cooked flaked cereals provide readily available energy for stallions.
- Garlic and Herbs provide extra palatability and encourages good intake even amongst fussy eaters or shy feeders.
- High quality protein sources containing essential amino acids to support muscle tone.
- Good fibre levels help to maintain efficient digestion.
- Bioplex® trace elements including Copper, Zinc and Manganese maximise availability.
- Sel-Plex® organic selenium helps to maintain additional antioxidant support.
- High vitamin levels including Vitamin E help support the immune, respiratory and muscular systems.
- Provox natural plant antioxidants support Vitamin E utilisation.
- Contains Actigen®, an advanced prebiotic that supports microbial diversity, improves digestion and supports gut health.
- Suitable as a high energy feed for competition horses and stallions.
