

Easy Go Cubes

Controlled Energy Release From An Oat Free, Low Starch Formulation; Suitable For Horses And Ponies With Laminitis

Key Features

- High-fibre, low-protein, 'cool' composition suits excitable types.
- Oat-free, Alfalfa based low starch formulation provides slow releasing energy.
- Fully fortified with major mineral, trace elements and an excellent vitamin pack.
- Contains Actigen®, an advanced prebiotic that supports microbial diversity, improves digestion and supports gut health.
- Bioplex® Copper and Zinc help to guarantee maximum mineral availability.
- Sel-Plex® organic selenium helps to maintain additional antioxidant support.
- Useful for early stages of fitting programmes, good doers or overweight animals.
- Low starch levels provide nutritional support for horses and ponies prone to laminitis.
