

Racehorse Cubes

High Performance Feed, 'The Winning Formulation'

Key Features

- Scientific mix of starch, fibre and oil provides the ideal energy supply for racing.
- Quality protein providing essential amino acids to support muscles.
- Contains Actigen®, an advanced prebiotic that supports microbial diversity, improves digestion and supports gut health.
- Bioplex® trace minerals including Copper, Zinc and Manganese maximise availability.
- Sel-Plex® organic selenium helps to maintain additional antioxidant support.
- Extra vitamins, including elevated Vitamin E, support maximum athletic performance.
- Proviox natural plant antioxidants support Vitamin E utilisation.
- High intake is achieved through consistent formulation of palatable ingredients.
- Suitable for high performance horses including eventers and showjumpers.
- Contains mycotoxin binders.
