

Cereal Balancer Mix

Provides A Balanced Concentrate Feed,
Rich In Quality Protein When Fed With Cereals

Key Features

- Provides soya-based high quality protein, plus full spectrum of vitamins & minerals.
- Corrects the natural deficiencies found in oats and other cereals.
- Bioplex® trace elements including Copper, Zinc and Manganese maximise availability.
- Sel-Plex® organic selenium helps to maintain additional antioxidant support.
- Yea-Sacc® live yeast helps support fibre digestion, nutrient absorption and optimum gut function.
- Elevated Vitamin E levels help support immunity and muscle function.
- Proviox natural plant antioxidants support Vitamin E utilisation.
- Coarse texture mixes readily with straight cereal.
