

Elite 10 Cubes

Combination Of Quick And Slow Releasing Energy In An Oat Free Low Protein Formulation

Key Features

- Concentrated energy from a combination of super-fibres, cereals and oils provides both quick and sustainable energy supplies.
- Low starch and oat free composition will help support a positive attitude and maintain a calm temperament.
- Oat-free formulation provides a high performance oat-free option for particular horses.
- A blend of oils from soya and linseed provides a balance of Omega 3 and 6 fatty acids.
- High quality protein sources provide essential amino acids to support muscle tone.
- Yea-Sacc® live yeast helps support fibre digestion, nutrient uptake and the hindgut microbiota.
- FOS prebiotic maintains fibre digestion and a healthy gut.
- High levels of antioxidants including Vitamin E and natural tocopherols help support the immune system and muscle function.
- Sel-Plex® organic selenium helps maintain additional antioxidant support.
- ProviOX natural plant antioxidants support Vitamin E utilisation.
- Biotin addition helps maintain hoof growth and health.
- Contains mycotoxin binders.
- Bioplex® trace minerals including Copper, Zinc and Manganese ensure maximum availability.
- Natural ingredients help support buffering of stomach acid.
