

Sport 10 Mix

High Specification Oat Free, Low Protein Performance Mix

Key Features

- Suitable for high performance horses, eventers, showjumpers and trotters.
- Concentrated energy from a combination of cereals, super fibres and oils provide both slow and quick release energy to maintain condition and performance.
- Highly palatable ingredients including herbs help to maintain consistent intakes and encourage fussy feeders.
- Elevated oil level contributes to energy supply and helps to maintain a healthy coat.
- Bioplex® trace minerals including Copper, Zinc and Manganese ensure maximum availability to help maintain performance and well being.
- Yea-Sacc® live yeast helps support fibre digestion, nutrient absorption and optimum gut function.
- High levels of antioxidants including elevated Vitamin E help support muscle and immune function.
- Sel-Plex® helps to maintain additional antioxidant support.
- Provox natural plant antioxidants support Vitamin E utilisation.
